## YOUR COMMITMENT ... YOUR IMPACT

This past year, our events were record-breaking, thanks to the generous support of businesses like yours! This year, we hope to achieve even greater success and your sponsorship will play a crucial role in our efforts.

We're in the midst of transformational and exciting times at Margaret Mary Health. Your support will not only help us build a state-of-the-art hospital and develop our health and wellness campus, but it also demonstrates your commitment to the well-being of our community.

Furthermore, your sponsorship enables us to award grants that support various initiatives and programs directly impacting the patients in our community. These grants are essential for fostering innovation, improving healthcare services and ultimately ensuring our community continues to thrive. I hope you take a moment to look at the impact your dollars are making as they are highlighted throughout this book.

Thank you for considering an opportunity to make a difference.

Gratefully,

Jonathon Maple | Executive Director  
Margaret Mary Health Foundation

## YOUR COMMITMENT IN ACTION

Upon admission to our Hospice program, each patient is provided a Comfort Care tote.

Each care package is given in a reusable tote and contains a fleece blanket, neck pillow, insulated non-spill cup with straw, wash basin, lotion, lip balm, notepad, pen and a Legacy Project workbook, used to create an autobiography.

The Legacy Project workbook is an amazing tool which allows patients to leave

a legacy for their families to remember them by. It can also be used as a guide to initiate conversation and/or reminisce about events.

Many times, patients don't have these simple items at home, or don't have the means to acquire them. The items give the little bit of extra comfort our patients deserve to help make their journey as comfortable as possible.

## WALK WITH ME HOSPICE 5K

Saturday, April 26, 2025 | Margaret Mary Outpatient & Cancer Center

### About This Event

Our Walk with Me Hospice 5K brings together nearly 300 community members to walk in support of the programs and services provided to our terminally-ill patients and their families, regardless of their ability to pay. All proceeds from this event benefit the Health Foundation's **Hospice Fund**.

# GIRLS ON THE RUN 5K CELEBRATION

Spring 5K: Saturday, May 10, 2025 | Fall 5K: Saturday, November 15, 2025 | Margaret Mary Outpatient & Cancer Center

## About This Event

Two times a week for 10 weeks, girls will have fun, make friends, increase their physical activity level and learn important life skills through interactive lessons and running/walking activities. Participating in Girls on the Run transforms girls' lives by helping them increase their self-confidence, develop healthy relationships and feel good about themselves, inside and out. The season ends with a celebratory 5K event, which offers the girls a tangible sense of goal setting and achievement and is often the highlight of the season! All proceeds benefit the Health Foundation's **Girls on the Run Fund**.

## YOUR COMMITMENT IN ACTION

Girls on the Run of Margaret Mary Health was so excited to kick off the 2024 Spring Season with a new curriculum, *'Hello, Superstar!'*

*'Hello, Superstar!'* focuses on a universal theme - the confidence to be yourself. We call this Star Power, or the power to be yourself and shine in your own way. Just like no two stars in the sky are the same, there is no one else in the world who is just like you.

Coaches have mentioned the girls are really enjoying the content, graphics and cheers; and since the curriculum was so recently developed, it connects with the girls right away and truly reminds them Girls on the Run isn't all about running.

*'Hello, Superstar!'* helps deliver hard-to-talk-about topics in an easy bite-size way. This curriculum really helps the girls be seen and heard.

## YOUR COMMITMENT IN ACTION

In the past several years, the Margaret Mary Outpatient & Cancer Center has seen an increase in the amount of patients diagnosed with prostate cancer.

To best treat these patients, their bladder needs to be full. The current treatment method includes setting the patient up on the treatment table, getting them ready for treatment and x-raying their

bladder to see if it's full for treatment to begin. If their bladder isn't full, the patient is removed

from the table, brought back to waiting area and given water to drink. The process then begins over.

With the introduction of the bladder scanner, the time spent checking the patient's bladder is reduced and their radiation exposure is minimized.

## CYCLE TO CELEBRATE & REMEMBER

Tuesday, June 3, 2025 | Margaret Mary Outpatient & Cancer Center

### About This Event

Cycle to Celebrate & Remember features 16 teams who will ride to raise funds to benefit our cancer patients. Featuring stationary bicycles, teams of eight will ride to see who can complete the most miles and take home bragging rights. Following the ride, participants may join us for a Celebrate & Remember Reception, an event designed to celebrate cancer survivors and remember those we've lost to this terrible disease. All proceeds from this event benefit the Health Foundation's **Cancer Care Fund**.

## YOUR COMMITMENT IN ACTION

The safety of both our patients and our community is always top of mind.

Margaret Mary Health Foundation recently installed a public safety light along the walking trails behind our Cancer Center. This solar-powered light offers an emergency communication system, providing help when patients, visitors and team members need help the most.

This light was made possible by the Hillenbrand Partnership with Possibilities Grant as well as a grant through the Health and Wellness Fund at Margaret Mary Health Foundation.

## YOUR COMMITMENT IN ACTION

After losing her son, Luke, to suicide in 2021, local resident Margie Schwegman made it her mission to share his story in an effort to stop the stigma surrounding mental illness. Thanks to Margie's vision, Margaret Mary Health Foundation hosted its inaugural Stop the Stigma 5K in September 2023.

With nearly 300 in attendance, the event brought the community together to show support for those affected by mental illness while remembering those we've lost to suicide.

"Through this event, I want people to know it's OK to not be OK," said Margie.

"I want to put names, faces and voices to loved ones we've lost, and offer hope to those who are struggling now."

## STOP THE STIGMA SUICIDE AWARENESS & PREVENTION 5K

Saturday, September 13, 2025 | Margaret Mary Outpatient & Cancer Center

### About This Event

Our Stop the Stigma Suicide Awareness & Prevention 5K brings together more than 200 community members to walk in support of stopping the stigma around mental illness and reminding those who may be struggling they are not alone. ## YOUR COMMITMENT IN ACTION

Since 1932, Margaret Mary Health has played a critical role in the health and wellness of our community.

Today, our mission remains the same: to improve the health of our community. The development of the new Margaret Mary Health & Wellness Campus represents a major investment in our future and our community.

Phase one of our campaign includes the new hospital. In addition to the latest technological advances, the hospital will integrate and coordinate key service lines to maximize future opportunities. The new area, which will house the ER, diagnostic testing, operating and procedural rooms, plus inpatient and obstetric rooms, will help break down walls between surgical and non-surgical interventions to deliver the best, most coordinated and efficient care, while also providing flexibility for the future.
